# Serious about making the most out of your sporting potential? Get a Sports Scholarship now!

Ever wondered that you can excel professionally in your sport in the US, whilst studying for a degree?

Sports Scholarships are designed to help you do just that and SPT Sports/NSR has made this possibility a reality!

Committed to the development of sporting excellence in India, **SPT Sports Management Pvt. Ltd.**, one of India's leading integrated sports management company proudly announces the first of its kind **Sports Scholarship** program in India, in partnership with **National Scouting Report-Asia (NSR)**, a division of Studylink.

The Sports Scholarship program gives each **student-athlete (sports person)** the opportunity to participate in a sports program of his/her choice at a college that meets their sports and academic requirements. Since NSR only accepts **student-athletes (sports person)** who meet its well-defined standards, colleges are assured that the **student-athletes (sports person)** recommended by **SPT Sports** are legitimate college prospects of the highest quality.

**The Sports Scholarship program provides Indian student-athletes (sports person) an opportunity and access to over 2000 colleges in the US and an opportunity to gain world class academic qualification and develop one's sporting ability to professional level.**

**National Scouting Report, USA** the world's leading recruiting authority has been America's premiere scouting service for college coaches and high school sports persons since launching the industry in 1980. They have dedicated their efforts toward providing thousands of prospects, parents and college coaches with state-of-the-art products and unparalleled services for more than 27 years.

# Sports Scholarship Program takes only the best student-athletes

- Sports Scholarship Program takes only the best student-athletes (sports person)
- College administrators and coaches recognize NSR student-athletes (sports person) in every sport as being among the best colleges prospects in the nation.
- Many former NSR prospects have gone on to become very successful in their chosen career fields or in professional sports.
- For over quarter of a century, NSR has provided deserving high school athletes with the opportunity to fulfill their dreams and goals through college sports.  
However, we don't just accept everyone into our program.
- In addition to being an outstanding athlete, our prospects must have acceptable academic credentials, be of good character, and have the attitude and personal qualifications that colleges have come to expect from all NSR recommended student-athletes (sports person).
